## **Legendary Sports Prints Supports The Community Several Initiatives to Assist Ronald McDonald House**

**Plantsville, CT – January 22, 2008** – Legendary Sports Prints (LSP) is proud to announce several initiatives in support of the Ronald McDonald House of New York, Inc. The initiatives are aimed at utilizing LSP's renowned artwork to further the many causes of the Ronald McDonald House.

Among the initiatives announced will be to auction LSP renowned artwork during the Ronald McDonald House "Skate with the Greats" event on January 23, 2008 featuring Mr. Brian Leetch as well as many other former "greats" of the New York Rangers. Proceeds from the auction will be earmarked to the Ronald McDonald House. In addition, LSP will donate framed artwork featuring the 1994 Stanley Cup victory by the New York Rangers to the new Brian Leetch Room at Ronald McDonald House.

"It gives me great pride to see that our artwork is being used to raise funds for such a worthy cause as the Ronald McDonald House", said Mr. Vincent Furfaro, LSP's CEO and co-founder. "Our artwork to be displayed in the Brian Leetch Room will bring great joy to the many children and parents that utilize their great services" Mr. Furfaro added.

### **About Legendary Sports Prints**

Legendary Sports Prints is engaged in designing, developing, marketing and producing reproductions of hand painted fine art depicting memorable sports moments in history. LSP primarily markets such reproductions in the form of lithographs and giclees. Each reproduction, usually in a limited edition series of less than 1,000 prints, is hand signed by the artist. The Company also offers additional services such as framing and on selected prints, hand signed autographs of the individual depicted as well as the sale of the original painting from which the lithograph or giclee was derived. Additional information is available at LSP's website [www.sportslithographs.com](http://www.sportslithographs.com) or by contacting LSP at 866.926.8577.

### **About Ronald McDonald House of New York, Inc.**

The Ronald McDonald House provides temporary housing through a safe, supportive and caring environment for pediatric cancer patients and their families. Here families find an environment which encourages and nurtures the development of child-to-child and parent-to-parent support systems. Our goal is to help families share the normal experiences of life and support growth, learning and independence in the children. As greater numbers of children survive childhood cancer, Ronald McDonald House is being acknowledged increasingly by professionals in the field as an important and supportive adjunct to medical treatment. Ronald McDonald House in New York City is the largest facility of its type in the world. The House can accommodate 83 families, and it is filled to capacity almost every night. Additional information is available at the Ronald McDonald House of New York's website [www.rmdh.org](http://www.rmdh.org).
